Stop Smoking Clinic™

An important part of our AMI Stop Smoking Program is providing you with on-going support to keep you a permanent non-smoker. The Support Resources provided for our clients are designed to help you through any difficult times, while also allowing you to give & receive support through the Community Forum. There has been some success with chewing tobacco for this program.

To arrange for an appointment, call us now at **(941) 330 1696** or visit our [Contact Us](#) Page at: <http://www.smokingshot.com>

Once you have started the AMI Program you will be involved in our weekly counseling conference calls.

What are our clients are saying:

"If you want to quit, this is the best thing short of a magic bullet." J.B. (Client)

"I had been smoking for over forty years. Just one shot and my cravings went away. I was a permanent nonsmoker! My friends and family were amazed, and so was I." M.J. (client)

"I've tried several times 'the hard way' but this program made it easy and the follow up kept me on track." B.H. (client)

"The support from Dr Voelker and his staff was tremendous. They really took an interest in me and helped me through it. I could not have done it without them." D.H. (client)
